They say it's never too late to start your own business, Stacey proves that it's never too early!

The next "2 billion under 20" or Forbes 30 under 30 may be next door, working for you, in your class or in your family! Help us spread the word so they get to attend the event! Share the event invitation!

Stacey's remarkable achievements include:

- Co-founded her first company, an online solution for password storage and management, called MySocialCloud, when she graduated from high school.

- Through Twitter, she attracted investors like Richard Branson, Jerry Murdock and Alex Welch. She raised \$1.2 million for her business when she was just 18 years old.

- In 2013, Stacey sold MySocialCloud to Reputation.com and went on to publish her first best-

selling book, *2 Billion Under 20: How Millennials Are Breaking Down Age Barriers & Changing the World*.

- Stacey is currently the CEO of Forge, an enterprise workforce management application that empowers hourly employees to work on-demand while providing retailers the tools needed to source, hire, manage and retain their workforce.
- In 2016, Ferreira was named to Forbes "30 under 30" entrepreneurs.
