

The background of the slide is a composite image. On the left, a young woman is shown from the chest up, wearing a light blue denim jacket over a white t-shirt, with a grey backpack. She has a gold necklace and is holding a small white box. On the right, there is a close-up of a gold alarm clock face, showing the numbers 1, 2, 3, and 4. The clock hands are visible, and the overall lighting is bright and natural.
